Unbelievable freshness in your body from just one bite of this cheese. Dill is therapeutic secret for the digestive system problems.

Packages: 250g

WHITE GOAT CHEESE

This young “ with just teak of salt” cheese, with its whiteness and adorable taste, irresistibly calling us to try it again and again. This is real balm for the stomach and the kidney.

Packages: 250g

FRESH GOAT CHEESE

Apart from having exceptional spreadability and fullness of taste, this cheese is also a source of important proteins, vitamins and minerals, necessary for daily diet. It is great for salads, sandwiches, pies and cakes.

Packages: 250g

SEMI HARD GOAT CHEESES

MAESTRO

With specific process of cutting the cheese mass and ripening made in two long and separate time phases, this cheese is second to none with the characteristic of the traditional cheeses from the “old” Serbia. The ultimate masterpiece!

Packages: 200g

SAFIR

The beauty of the hard whiteness. Mature ...but mild. Irresistible.

Packages: 125g, bulk (900-1100g)

PIKANT CHEESE

Hidden treasure in a healthy morsel which is difficult to resist. The longer the cheese maturing time, the main ingredients become more disintegrated, which gives the cheese characteristic sensory properties with higher degree of digestibility. So let's try what this exquisite cheese can offer us.

Packages: 125g, bulk (900-1100g)

GOAT CHEESE

Cheese produced using technology developed in our dairy plant with unique aroma and taste provided by maturity. Enjoy the exquisite taste, with good wine and a formula for a long and healthy life.

Packages: 200g

ZENIT

Like Maestro...with specific process of cutting the cheese mass and ripening made in two long and separate time phases, this cheese is second to none with the characteristic of the traditional cheeses from the “old” Serbia. The ultimate masterpiece!

Packages: 200g
